Dear Fellow Ohio Coaches,

Another season is well underway and I hope that your spring and pre-season preparations are serving your team well. The executive committee of the Ohio Collegiate Soccer Coaches Association wish you all a very successful season.

I recently received a request from one of our coaches that they did not receive any certificates for their player(s) selection to the ALL-OHIO teams. Certificates were given out at the NSCAA convention OSCA meeting. If you did not receive certificates for your players, please reply to this email and I will have them sent to you ASAP. The 2007 teams are posted on our web-site above.

We are in the process of negotiating the meeting location and social hour for the NSCAA Convention Ohio College Coaches meeting in St. Louis, Mo January 14-18. We are also looking forward to the annual gathering with the Ohio High School Coaches group as well.

I have enclosed a statement for the annual OCSA dues. Please process this request at your earliest convenience. Player and Coaching recognition by the OCSA will be only available to association members with dues paid by November 15, 2008.

If you have any questions or concerns, please let me know. My email: [bud\\_lewis@wilmington.edu](mailto:bud_lewis@wilmington.edu)
